CHOICE Deems ebrary's Academic Complete E-Book Database "Highly Recommended"

October 8, 2010 – Palo Alto, CA – ebrary®, a leading provider of digital content products and technologies, today announced that CHOICE has acknowledge its flagship Academic Complete™ e-book subscription database as "highly recommended" to lower level undergraduate students and above.

Since the review, which is available at

http://www.ebrary.com/corp/collateral/en/Promos/CHOICE_Review_AC.pdf or through Choice Reviews Online (<http://www.cro2.org>), ebrary has grown Academic Complete to include more than 50,000 e-books from leading publishers with simultaneous, multi-user access. The product also now includes DASH! (Data Sharing, Fast)™, which enables librarians to upload and integrate their own digital content right from their computers.

Through November, ebrary is offering significant discounts on Academic Complete. Preview the selection at <http://site.ebrary.com/lib/academiccompletetitles/home.action>. For details please email sales@ebrary.com.
