**ebrary Offers Newly Digitized Titles from Continuum  
Libraries may also save up to 50% on individual e-books in acclaimed series in  
Biblical Studies**

**August 13, 2009 – Palo Alto, CA, USA** – ebrary®, a leading provider of digital content products and technologies, today announced that over 350 titles in the Library of Hebrew Bible/Old Testament Series are available as e-books for the first time, including over 200 titles that until recently were no longer available in print. Additionally, libraries and other organizations may save up to 50% off list price on individual titles in the series, published by Continuum imprint T&T Clark, through the end of the year.

Over the past 30 years, the Library of Hebrew Bible/Old Testament Series has established an unrivalled reputation for cutting-edge international scholarship in Biblical Studies. Attracting leading authors and editors including George Aichele, Athalya Brenner, David J.A. Clines, Philip R. Davies, John Day, J. Cheryl Exum, and Lester L. Grabbe, the series takes many original and creative approaches, including innovative work from historical and theological perspectives, social-scientific and literary theory, and more recent developments in cultural studies and reception history.

“As a long time ebrary partner, we are excited to make this new selection available digitally for the first time through ebrary’s world-renowned interface, which is trusted by thousands of libraries and millions of end-users worldwide,” said Ken Rhodes, Director of Sales and Marketing at Continuum. “We know that ebrary’s superior research tools and other unique functionality will be of great benefit to anyone studying religion by allowing them to quickly and easily find, use, and manage the information they need online.”

“T&T Clark represents one of the most extensive collections of religious academic books in the world,” said Leslie Lees, Vice President of Content Development at ebrary. “We are proud to offer libraries and other organizations this unique opportunity fill gaps in their religion collections with individual titles from such a highly acclaimed series.”

Customers may supplement their Continuum selection by subscribing to or purchasing additional e-books in religion and other topics from ebrary, as well as submitting and integrating their own special collections, reports, and other content in PDF. All ebrary products include powerful tools for enhancing the end-user experience such as:

- Anytime/anywhere access.
- ebrary InfoTools™ networks every word with other online resources.
- Multiple options for searching and navigating.
- Personal bookshelves automatically store links to highlights, notes, and more, providing an archive of research. Folders can be emailed to peers.
- Automatic citations when text is printed or copied and pasted into Word or any text applications. Citations include an automatic URL hyperlink back to the source.
- Highlighting and annotating.
- Ability to transform text into a hyperlink to a URL of the end-user’s choice.
- Text-to-speech and other keyboard shortcuts to assist end-users with special accessibility needs.

Libraries and other organizations may request a title list by emailing [sales@ebrary.com](mailto:sales@ebrary.com).

**About Continuum** (<http://www.continuumbooks.com/about-us.aspx>)

Continuum is a leading independent academic publisher based in London and New York.

We publish around 600 books each year, focusing on the Humanities, Education, and Religion. Our backlist comprises some 7,000 titles and our output includes textbooks, supplementary course books, research monographs, reference works and professional books, as well as related general non-fiction.

Continuum is a young company: it was established in its current form in 1999, when Continuum Publishing in New York merged with the London-based Cassell’s academic and religious publishing division. Before and since that date, acquisitions have been part of the company’s

strategy, and our imprints include T&T Clark, founded in Edinburgh in 1821, and Burns and Oates, founded in 1847.

**About ebrary ([www.ebrary.com](http://www.ebrary.com))**

ebrary helps libraries, corporations, publishers, and consumers get the most out of their digital content. The company offers a growing selection of more than 170,000 digital books, handbooks, reports, maps, journals and other valuable content from over 350 of the world's leading publishers under flexible subscription, purchase, and usage-based models. Additionally, ebrary offers e-publishing services for customers to cost-effectively distribute their own PDF content online on ebrary's servers or their own.

All ebrary products and services can be integrated and delivered via a single easy-to-use interface that includes powerful tools for finding, discovering, and managing information. With ebrary InfoTools™, every word in the ebrary system is a network to other online resources of the customers' choice, extending their value while increasing end-user knowledge and efficiencies.

Founded in 1999, ebrary is privately held and is headquartered in Palo Alto, CA, USA.
