Serials Solutions to Offer ebrary Titles through KnowledgeWorks

ebrary is the first e-book vendor to be certified by Serials Solutions

August 5, 2008 – Palo Alto, CA – Today, ebrary®, a leading provider of e-content services and technology, has announced that it has become the first e-book provider to become Serials Solutions KnowledgeWorks Certified. As a KnowledgeWorks Certified content provider, ebrary will provide more flexible ways for customers to find and access titles in their subscription e-book databases through Serials Solutions e-resource access and management services. Serials Solutions and ebrary’s mutual customers may now access their subscription content directly through Serials Solutions KnowledgeWorks, the most comprehensive and authoritative knowledgebase of content for the library market.

“As ebrary offers a volume of quality titles in multiple subject areas from the world’s leading publishers, it is a privilege to integrate their content with KnowledgeWorks,” said Sherrard Ewing, Provider Relations Specialist at Serials Solutions. “At the same time, ebrary offers the most compelling technology for conducting research quickly and efficiently. We look forward to enhancing KnowledgeWorks data and our customers’ experience with ebrary.”

“Serials Solutions is a global leader in library technology offering a complete family of solutions for e-resource data, access, management, and assessment,” said Kevin Sayar, President of ebrary. “It is an honor to be the first e-book vendor certified by Serials Solutions, and we look forward to providing our customers with a quick and easy way to access their subscription content.”

About Serials Solutions

Founded by a librarian for librarians in 2000, Serials Solutions the global leader in e-resource access and management services (ERAMS) that serves more than 2,000 libraries of all sizes and types. Serials Solutions® KnowledgeWorks, the authoritative e-resource knowledgebase, is the foundation for Serials Solutions® 360, the only complete and integrated e-resource access and management solution.

Serials Solutions also is the exclusive source for Ulrichsweb.com™ and Ulrich's Serials Analysis System™ worldwide, and represents the AquaBrowser Library® discovery layer user interface in the academic market in North America. The WebFeat® federated search service recently acquired by ProQuest soon will be incorporated into the Serials Solutions family of access and discovery services.

Serials Solutions provides fast implementation, easy customization, and outstanding value to libraries throughout the world. For more information, please visit www.serialssolutions.com or call 1-866-SERIALS. Serials Solutions is a business unit of ProQuest LLC.

About ebrary (www.ebrary.com)

ebrary® is a leading provider of e-content services and technology. The company helps libraries, publishers, and other organizations worldwide disseminate valuable information to end-users, while improving their research and document interaction.

The company has developed a flexible e-content platform, which customers may use in a number of different, integrated capacities: ebrary customers may purchase or subscribe to e-books and other content under a variety of pricing and access models, and they may license the ebrary platform to distribute, sell, and market their own content online. All options are delivered using a customizable interface and include the ebrary Reader™ with InfoTools™ software, which enable integration with other resources to provide an economical and efficient way to utilize information.

ebrary currently offers a growing selection of more than 170,000 e-books and other titles from more than 300 leading publishers and aggregators.

Founded in 1999, ebrary is privately held and is headquartered in Palo Alto, CA.
